Welcome to the Stry of Jon

Congratulations on taking the first step toward documenting the moments that matter most—and the stories behind them. We have designed this book with you in mind, offering open-ended prompts with room for short reflections and our Everyday Prints, so you can record what is meaningful to you. You'll also find space for longer letters to your little one. Before you get started, we encourage you to flip through the pages to get a feel for the photos you'll want to capture along the way. We can't wait for you to mark this new chapter.

1-6 Months Old

The most wonderful lesson is you—
for each day you learn, those around you
learn too. With every new experience, obstacle
and triumph, we're growing together—in the
only honest way we know how. Humbled by
the setbacks and renewed by the victories,
this is us. This is our growing family.
